**DG Daniel's  
Message**

Hello Lions,

It has been a busy couple of weeks in the world of Lions! So far, the cabinet and I have visited 12 clubs around the state, and we have all had an amazing time getting the opportunity to meet with you and learn more about the incredible service you are doing. The good news is that our district is up in membership! I've had the privilege of inducting new Lions at almost every visitation, and it seems like people are truly sharing the joy of Lionism with their communities!

There are two upcoming events I would like you all to consider saving the date for. The first is the District Governor's Ball on Saturday December 3rd. We've got a great International guest with PID Steve Glass coming up from West Virginia and the Ball planning committee has been working hard to make sure that the event will be fun for all. The registration form for the ball can be found in this bulletin! The second date will be the charter party for the new Wilmington United Club which will be held on January 6<sup>th</sup> at the Wilmington Public Library. The final details of the event are being planned and the registration for the party should be in the next email! Mark your calendars and plan on coming out to welcome the newest club into District 22-D!

Have a wonderful month and keep on serving!

Daniel Marney Elkins

## VDG TOMMY LU'S MESSAGE

Hello, Lions of 22-D:

I went back to Taiwan in September for three weeks to visit my parents who are now in a long term care facility. While I was there, I met a cabinet member of LCTF (Lions Clubs Taiwan Foundation). She told me that Taiwan (MD300) is considering splitting into 5 multiple districts in order to better serve more than 50,000 Lions. How big is Taiwan? Well, Taiwan is about 7 times larger than Delaware (13,976 sq. miles vs. 1,982 sq. miles) but with a population of 23,000,000. Surprisingly, except for the multiple district itself, most clubs do not have active websites. I looked up the closest Lions Club to visit and could not find its contact information online. Fortunately, through my brother-in-law, I met Ms. Wang from LCTF in Taipei. She shared many success stories and most of them attributed to active members willing to step up either take initiatives or respond to requests.

One particular interested establishment in Taiwan is TLU (not my initial, ha!) Taiwan Lions University (<https://www.lionstlu.org/2223/>). Lions can register to attend either in-person or online courses and there are full of activities link on this

website. It looks like hybrid format is more popular now after pandemic and a lot of conferences, universities, and even middle and high schools are adopting this model. I know we can register and take self-paced courses on LCI but perhaps we can also consider some hybrid events for our district or multiple districts. I know it is a lot of work and investment but let's think about that.

This month I would like to refresh Lions Eye Bank of Delaware Valley (LEBDV) Foundation. I would like to thank PDG Keith Thompson and Jerilyn Giardina from LEBDV for their help and guidance.

Lions Eye Bank of Delaware Valley (<https://lebdv.org/>)

Lions Eye Bank of Delaware Valley (LEBDV) is committed to enhancing a person's quality of life by restoring or improving vision through cornea transplantation, medical research and education. It was founded by a small group of Lions from the tri-state area answering the call from Helen Keller to become "Knights of the Blind" in 1957 and has helped coordinate more than 48,000 surgeries covering Delaware, New Jersey, and southeast Pennsylvania areas.

LEBDV has grown from one or two cornea donors per year to over 800. Selfless cornea donors restore sight and hope to around 1,000 cornea transplants recipients every year. LEBDV has now 18 professional staff members with an annual budget of over \$5 million dollars.

LEBDV is responsible for recovering, processing and distributing cornea tissue for sight-restoring transplantation. Technicians travel to hospitals and other facilities to recover donor tissue. The tissue is screened, evaluated, and processed in the LEBDV lab to ensure its quality and safety for transplant. When a surgeon has a patient in need of a cornea transplant, LEBDV is contacted and coordinated for the surgery. If the patient does not have the financial resources to pay, LEBDV provides gratis (donated) tissue to support the patient in need. Founded by the values of Lionism, LEBDV believes ability to pay should never be a barrier to a person's ability to see.

## Lead with Compassion

Children know how powerful compassion can be. They're often able to express this feeling more openly than adults. This year, we invite young people to explore and visually express the peaceful future that compassionate leadership brings.

The Peace Poster Contest is well on its way. Kits are available from Lions Club International and can be purchased until October 1<sup>st</sup>.

The Theme this year is "Lead with Compassion". Clubs can invite youth ages 11-13 as of November 15<sup>th</sup>

to share their thoughts on Compassion.

A kit for each participant is needed and on November 8<sup>th</sup> one selection from each club will be sent to the Chairperson of the Contest.

PCS Helen Friend- info in the Roster Book

# LIONS CLUBS INTERNATIONAL FOUNDATION

Lions Clubs International  
**FOUNDATION**

October, 2022

Lions Clubs International Foundation has established the LCIF fund raising goal for District 22 D and that goal is to raise \$28,866 and the good news is that we have raised \$13,208. The very bad news is that with Hurricane Ian the need for help has only increased especially in place like Puerto Rico, Cuba, and Southern Florida.

Please go on-line at the LCI webpage and click on LCIF to see how LCIF is already making a difference in Puerto Rico, Cuba, and Southern Florida. It is also an easy way to make your donation.

DCG grants are still available to help with your local club projects. If your club made LCIF donations last year over \$5,000, your club is eligible for a DCG grant. A club can also use District DCG funds to help with a larger project. Just check with your club's LCIF Chair or your local LCIF District Coordinator for help.

Finally, PDG Karl Gude and PDG Ken Chew would be glad to speak at any Lions Club or Lions Zone on how you can access these funds or to just speak about LCIF. Just contact us and we can help!

Yours in Lionism,

### ZONE PROJECT

#### REGION 1 ZONE PROJECT

As many of you know, last year we approved a rush zone project to put a special swing set in the back yard of a terminally ill child. 11-year-old Leila was diagnosed with Rhabdomyosarcoma at stage 3 and had spread to the lymph nodes.

A follow up at Sloan Kettering in May showed that it had advanced to stage 4 and time was really of the essence! In June her parents and doctors made the decision to amputate her right arm, and during the week of September 5<sup>th</sup>, Leila returned home from a 5 week hospital stay after receiving intensive radiation and chemotherapy.

This cancer is so rare that Nemours, Children's Hospital of Philadelphia, Sloan Kettering, The Mayo Clinic, and St. Jude's Hospital are working together!

On Friday September 9<sup>th</sup>, after the special Jenn swing finally came in, Lion Tom McDonough, PCC Don Lecates and Lion Kirt Krebs were able to install the swing set with the adapted Jenn swing.

Special thanks to Lion Tom for heading up this special project and to all the clubs in our zone who helped finance this project. We will be approaching the Delaware Lions Foundation to help match our expenditure.

It warms my heart that we can bring a little joy into this little girl's life.

God Bless Leila and her family and all Lions.

## Bellefonte Lions Club

The Bellefonte Lions completed a very successful White Cane Days fundraiser by raising over \$1,000 over a three-day period (10/6-8). In addition to the money raised we had 17 Lions participate in this fundraising activity by doing one or more tow hour shifts. The District Governor, Lion Daniel Marney Elkins, and his partner in service, Lion Jessica Graham, each did one shift and we even had help from the "spiritual" world

## Brookside Lions Club

Brookside Lions had a great dinner meeting this month with DG Daniel and cabinet visiting, it was well attended. DG Daniel installed our new member Lion Linda Olds, sponsored by Lion Catherine Newman and Lion Linda DiMartine(pictured). Also pictured Lion Fred Williamson presenting Lion's information, which he does each month at our Dinner meeting.

We will be cooking and serving the Chicken BBQ Dinner at the Newark Senior Center's Fall Sale on Thursday, October 27th 5pm till 7pm \$15 per dinner. If two members come we will give a visitation. Our club will be making a donation to Wreaths Across America and to St. Andrew's Presbyterian Church.

### CLAYMONT LIONS CLUB

#### DG OFFICIAL VISITATION

The Claymont Club's Dinner Meeting held on Thursday, September 29, 2022 turned out to be another great meeting at Duffer's Mill. The meeting was well attended, and we welcomed District Governor Daniel Elkins and his cabinet.

DG Elkins shared club memories such as when IPP Glenn Williams installed him into the Lions Club 5 years ago as a charter member of the Bellefonte Club. He also noted that Claymont is the strongest club in the district in that we have developed leaders who have guided the multiple district and the Delaware Lions Foundation. 1<sup>st</sup> Vice District Governor, Tommy Lu added that the Claymont Club has the distinction of having the most past district governors in the district.

Another highlight of the evening was when District Secretary, Rev. Dr. Heather Elkins presented our Club Secretary, Carol LeCates, with a copy of the book LCI Recipes for Peace.

### GLASGOW LIONS CLUB

The Lions of Glasgow continue with a very busy October. Recently conducted vision screening at the YMCA-Bear for children as well as adults. Also had a Lions information table set up at the entrance. Acquired names of 3 people interested in finding out more about Lions and also collected eye glasses and a hearing aid. Later in the month we will be participating in a Trunk or Treat event at the Y as well. As the Y is in our back yard we are trying to establish an alliance with them.

On October 15 five lions and 2 family members cleaned our Adopt-A Highway roadway collecting 12 bags of trash and a large assortment of other items.

We are preparing for the official visit of DG Daniel on the 18<sup>th</sup>. On the 19th we will be selling shopping passes at Boscovs annual sale day.

On Oct. 22 we will be participating in the Bear Library Fall Festival.

On Oct. 25 we will hold our semi-annual fundraiser at the Texas RoadHouse. See flyer included in the bulletin. Must present flyer or image on phone for us to receive credit.

There is no rest for the weary when it comes to community service as we start November participating in placing American flags on the graves at the Veterans Cemetery in preparation for Veterans Day.

We also are selling the 2023 SaveAround Books as a fundraiser.

#### *New Castle Hundred Lions Help the Hope Center*

The Hope Center in New Castle County is a transitional homeless shelter that occupies a former hotel building just off I95 in New Castle. The Center provides, not just a place to stay for people in need, but safe, stable temporary housing. “They offer rehousing solutions and holistic programs and services onsite to minimize barriers and increase the odds of breaking the cycle of homelessness in Delaware.”

The New Castle Hundred Lions Club has partnered with Hope Center, providing bus passes on a regular basis. Also, Lions Carolyn Travers and Sharon Kimmel are pleased to maintain the small library in the Hope Center lobby. There are many children living in the Hope Center, and it’s heartwarming to see kids run to the shelves and sit down on the floor with a book!

Lion Carolyn recently met with Kim Markle, the Assistant Managing Director, to talk about future projects that the Lions can help them with. During that visit she was pleased to be able to hold the Emmy Award that the Hope Center recently received for their short video called “The Pathway Home”. We highly recommend that you experience this video. Click [here](#) to view it. You might want to have a box of tissues nearby.

Please note that the Hope Center operates by referrals only. They do not take walk-ins. If you know someone dealing with homelessness, have them call or visit the Division of State Service Centers at 1-866-843-7212. Click [here](#) for a list of State Service Center locations. For **emergency shelter** (the traditional shelter system) call or text 1-833-346-3233 or email [intake@housingalliance.org](mailto:intake@housingalliance.org).

The New Castle Hundred Lions Club is honored, among other community organizations, to be involved with this critical outreach to our most vulnerable population. We plan to partner with The Hope Center for a very long time.

Unbelievable! The Art on The Green, our art and craft show and major fund raiser, was a huge success. The weather was beautiful and the attendance was probably the largest in the show's history. We now will be able to fund our numerous community service projects. We extend a big THANK YOU to all who gave so much for the success of this activity. We especially thank those Lions and Leo's from other Clubs who came by to assist in the success of the show.

Look for an adjoining article regarding Hope House for the Homeless. Our Club has some members volunteering in their library plus we donate DART bus passes enabling individuals access to their "world". Recently, Hope House was nationally recognized for the program they have developed for the care they provide to the less fortunate. There are plenty of opportunities to volunteer at Hope House. They need help and where there is a need there is a Lion.

Upcoming activities for our Club will be the Halloween Parade on Oct 27<sup>th</sup> Salvation Army Bell Ringing, Pancake Breakfast on Dec 3, 2022 and our annual food baskets for the needy at Christmas. Other Fall activities include vision projects, Ukrainian Relief Project, and road clean-up.

DG Daniel presented years of service pins to: Lion Lloyd Webb - 10 years; Lion Sonny Meck - 15 years; and Lion Gail Wadkins-Berry - 30 years.

## LB Lions donates Bench for Evans Park at Millville

October 7, 2022

On Monday, Sept. 19, members of the Lord Baltimore Lions Club visited Evans Park at Millville to meet with Mayor Ron Belinko and members of the Millville Town Council and administration.

"The Lions have been looking forward to this opportunity to donate a new bench that will be placed in the Evans Park, and will be enjoyed by the many adults and children who visit this beautiful town treasure located on Dukes Drive in Millville," said Lord Baltimore Lions Club representative John Monahan.

Lord Baltimore Lions Club members earned the Trex bench that was donated by participating in an environmental project to collect plastic for recycling, and over a period of time the club collected enough plastic to earn a bench. Lion Scott Brannan, club environmental chair, spearheaded this six-month effort, with the support of Immediate Past-President Karl Guide and Service Chair Jack Bauer.

Once the club decided on a place to donate the new bench, Town Council Member and Lion Bob Wisgirda made the connection and arranged for the special presentation.

Mayor Ron Belinko thanked the Lord Baltimore Lions.

"We opened the park with a vision of bringing the community together, and with the gift of this bench, the Lions are helping us move forward in realizing this vision for the community."

The Lord Baltimore Lions Club recently donated a new bench for Evans Park in Millville.

For the presentation, members gathered in the park Sept. 19 with Mayor Ron Belinko and members of Millville Town Council.

The Lions have been looking forward to providing the bench to be enjoyed by the many adults and children who treasure the playground and open space on Dukes Drive in Millville.

Lord Baltimore Lions Club members received this Trex bench for participating in an environmental project, collecting enough plastic for recycling over a period of time to earn a bench. Scott Brannan, club environmental chair, spearheaded the six-month effort along with the support of immediate past President Karl Gude and Service Chair Jack Bauer. Once the club decided on a place to donate the new bench, club member and Millville Councilman Bob Wisgirda made the connection and arranged for the presentation.

As he thanked the Lord Baltimore Lions, Mayor Ron Belinko said, "We opened the park with a vision of bringing the community together, and with the gift of this bench, the Lions are helping us move forward in realizing this vision for community."

In addition to preserving the environment, Lord Baltimore Lions embrace the other Lions Club International world causes of vision, diabetes awareness, combating hunger and joining the fight to defeat childhood cancer. Locally, the Lions support other causes involving youth and supporting local citizens in need.
