NOVEMBER 2022**

Together We Can...Grow Our Service!

**DG Daniel's
Message**

Hello Lions,

When combined into a single sentence, the two most powerful words in the English language are: Thank you.

This is the time of year that we express what we are thankful for. Thank you for your leadership and service as Lions. Thank you for everything that both you and your club have done to improve the lives of those who live in your community. Thank you for allowing me to serve as your District Governor this year. Thank you for the incredible hospitality that has been shown to my cabinet as we've visited clubs all throughout the state. Thank you for being you.

On January 6th, 2023 the Lions of District 22-D are getting the chance to do something that they haven't done since 2018. Welcome a new club into our district with an official charter party! Within this bulletin you will find the information on how to make a reservation for the Wilmington United Lions Club charter party. The keynote speaker for the event will be 1st International Vice President, Dr. Patti Hill. If you are able, please make the time to come to the Charty Party and thank these new Lions for being willing to serve in our state. Come and hear the next International President thank the Lions of Delaware for helping to grow our association! In addition to this, the new club is in the process of trying to raise administrative funds to help get them started off right and willare making an Ad booklet for the event. There is information about how to support that initiative in this bulletin.

Thank you for helping to support a new club in our district.

Have a wonderful Thanksgiving holiday!

Daniel Marney Elkins

VDG TOMMY LU'S MESSAGE

Hello, Lions of 22-D:

As I accompanied District Governor Daniel for his club visitations, I witnessed each club's service projects, community involvements, and creativity in getting more members. We were all inspired by District Governor Daniel's "customized" speech to each club and how he addressed to the club members about club achievements, new innovative ways in raising funds and recruit new members. As we are moving toward a positive direction, I would like to introduce/reintroduce GMA (Global Membership Approach). This is the quote taken from the LCI: "Where there's a need, there's a Lion – when our membership grows, our communities grow. Our service strengthens. Our future brightens..." The GMA's process focused on:

- Rejuvenating districts with new clubs
- Revitalizing clubs with new members
- Re-motivating existing members with fellowship and exciting service

We are talking about new clubs, new members, exciting and satisfying existing members. Every Lion can contribute in some way to serve our communities. Every Lion can connect with someone who does not know what Lions do. There are many ways to do service projects and not every service project needs entire club to participate. Let's think innovative ways to serve and grow our membership.

This month I would like to refresh our own foundation: Delaware Lions Foundation.

Delaware Lions Foundation (DLF) (<http://www.delawarelionsfoundation.org/>)

Delaware Lions Foundation is our own foundation in 22-D. It was established in 1973 as the Delaware Lions Sight and Hearing Conservation Foundation. At the 2001 Convention, the mission statement was updated to provide more opportunities for local clubs to serve their communities in addition to their support of the traditional sight and hearing projects. The mission of the Delaware Lions Foundation is to support the Lions Clubs of Delaware in their humanitarian service to Delawareans through matching grants and to provide educational scholarships for Public High School seniors residing in Delaware.

Any Delaware Lions, Lioness, or Leo Club can submit for grant requests. If a zone wishes to submit a grant request as a result of a zone project, one club in the zone should submit the grant request on behalf of the zone. A Project Completion Report should be filed once the project is finished.

Graduating high school seniors residing in Delaware and attending public high school in Delaware are eligible to apply for James A. McCarty Memorial Scholarship. Applicants must demonstrate exceptional involvement in community service and good leadership skills. Applicants must also have high scholastic achievement and demonstrate financial need. Scholarship recipients will receive \$1,000 scholarship paid directly to the college of award recipient's choice.

About the Deep Creek Lake Lions Club and the Blind Skiers Program

Since 1972, the Deep Creek Lake Lions Club has been holding its Blind Skier Program. Over the history of this program, the Club estimates that hundreds of visually impaired children have learned to downhill ski. Each year, the Club typically hosts 3 or 4 groups of visually impaired children and their families for three day sessions from Monday to Wednesday. The Club pays or arranges donation for all expenses for the trips.

At the beginning of each session, the Skiers are set up with equipment and lift tickets provided by Wisp Resort, and are matched up with their volunteer Ski Guides. Barb Law, long-time coordinator for the high-school ski guides, said that the "high-schoolers get an early opportunity in life to experience the rewards of service to others." The high school volunteers can also earn service learning hours along with excused absence from school.

The adaptive skiing process usually starts with the Blind Skier standing between two Guides who hold a padded bamboo pole for stability. Skiers who demonstrate the desire and ability to control their speed and direction can graduate to tethered skiing behind a Guide and eventually skiing with a Guide giving directions for turning and stopping. When snow conditions are favorable, the Club provides snowmobile riding to the family groups.

Meals are also an important part of the Program. Volunteers arrive each morning of the Program at the donated lodging to cook breakfast for the skiers, which provides an opportunity for Club members, the Skiers and their families to get to know each other. "While this Program is great for our visually impaired children," said one of the parents, "it's also a respite for our entire family since we can turn our kids loose with the Lions Club and enjoy skiing on our own for a bit."

In the summer, the Club provides the Blind Camp Program, which involves camping, boating, hiking and other outdoor activities. Additional service to the community is provided by the Club through financial assistance to residents for vision-related healthcare, donations to local organizations, and operation of the public park on Bumble Bee Rd. Future projects include the building of Garrett County's first all-inclusive playground and the reconstruction of an early 1800's log cabin.

For more information on the Club's activities, how to contribute or donate, or how to join, visit our website, deepcreeklions.org or contact the Club at DCLLIONS@GMAIL.COM or 323 325-5466. Videos, photos and additional stories from the Club's activities can be found on the Club's Facebook page, linked to the Deep Creek Lake Lions Club website.

We hope you'll lend your support to our amazing programs. Funds raised at the 50th Anniversary Gala will ensure the continuance of the Blind Skier program and other community projects for the next 50 years and beyond.

November, 2022

District 22 D continues to rock with your donations to LCIF. As of the end of October, \$76,608.00 has been contributed to LCIF. Twenty clubs have not made any donation yet and maybe are waiting to make their donation at the Melvin Jones Breakfast on Saturday, January 14, 2022.

One of the greatest areas of need continues to be the refugee problem caused by the war in Ukraine. DG Daniel Marney Elkins met a couple from Germany who are using LCIF to provide fresh water to a city whose water supply was poisoned. Come to the Melvin Jones Breakfast and hear about how your personal and club LCIF donations help our local area and places like the Ukraine.

DCG grants are still available to help with your local club projects.

PDG Karl Gude and PDG Ken Chew would be glad to speak at any Lions Club or Lions Zone on how you can access these funds or to just speak about LCIF. Just contact us and we can help.

Yours in Lionism,

PDG Ken Chew, LCIF Co-Coordinator - North

FENWICK ISLAND LIONS CLUB

On October 22, The Fenwick Island Lions Club and The Indian River High School Leo Club participated in the 2nd Annual "Trunk and Treat" sponsored by the Town of Selbyville. It was a beautiful day and many local children attended. There were lots of "trunks" for the kids to get candy and also a costume parade and contest. The categories for the costume contest were Most Original, Funniest, and Scariest.

The Indian River High School Leo Club had a ring toss game for the children. The goal was to get the ring around the neck of the pumpkin. This was challenging even for the adults so everyone who tried got candy. "The babies" had the right idea by just going to the pumpkin and placing the ring on the neck.

Three Leo members agreed to wear the Lion Costume which was a real hit. (1hour shifts). The Leos also helped the Lions give out candy, including full size candy bars. In addition, two Halloween baskets were given away with names drawn from a bucket.

The Lions completed selling their 50/50 raffle tickets and the winner was drawn by the Selbyville Chief of Police. The winner is a good friend of our dedicated members Jim and Carol Miles. She won 1,236 dollars. Thanks to the Lions who participated: Linda and Tom St.Clair, Sharon Schoonover and her daughter Kelley, Pat Sipe, Vicky Holden, and Rita Dettore.

The Town of Selbyville is hoping to continue this tradition and have more activities and fun for all in the coming years.

Annas, Elsas, and Spidermans, oh my! Kids of all ages clad in a variety of costumes converged on downtown Milton Oct. 29, for the town's annual Wicked Weekend

Museum.

Hosted by Milton Chamber of Commerce, the event went off without a hitch thanks to sponsors Children's Beach House, Milton Lions Club, Milton Historical Society, Town of Milton, Milton Arts Guild and Milton Fire Department.

For more info about the Milton Chamber of Commerce, go to historiemilton.com.

event. A fantasy trail, haunted walk, pumpkin painting and a terror train welcomed families at Memorial Park, while a magic show kept people entertained at Milton Theatre's Quayside. Milton Historical Society showed monster movies at the Lydia B. Cannon

Folks had the opportunity to take their photo with a giant black cat.

The Milton Lions Club hosted the Terror Train.
